

March 30th, 2022

To all my Patients,

It is with regret that I have to inform you that I will be leaving my practice as of June 30th, 2022 due to personal circumstances. For most of you, I have been the family doctor for almost 9 years and it has been my privilege to have been involved in your health care. I have truly valued the trusted relationship we developed and making the decision to leave my practice has not been an easy one.

Wilson Centre Family Practice will have a new family physician, Dr. Ryan Maginn, who will join the practice in July. Dr. Maginn is looking forward to meeting you and taking care of your medical needs. As of July, when you call to book an appointment, you will be booked with Dr. Maginn.

If you have moved away or for another reason wish to leave the Wilson Centre Family Practice, I would recommend that you contact your local Division of Family Practice for assistance with finding a new health care provider. As our office have had several physicians retiring recently, the remaining doctors will unfortunately not be able to take over your medical care.

If you find a new family physician outside the Wilson Centre Family Practice, please have your new care provider request your medical records from the the Wilson Centre Family Practice by faxing a consent form to the office at 604-942-7053 to request a transfer of your medical records.

Please be advised that after June 30th, 2022 you need to make arrangements with your new health care provider to follow up on any tests that have been ordered by me.

It has been a great pleasure to have served as your family physician and I wish you good health and wellbeing.

Yours Sincerely,

Dr. Juliyana Romey
